Quarterly charging

Quarterly interest and commission charges accrue in March, June, September and December and are debited shortly thereafter. The quarterly charging dates are available by request.

We will give you approximately 14 days advance notice of the charges to be applied to your account. This advance notification will be by way of a separate 'Statement of Charges' and will include a detailed breakdown. You will therefore be able to check your charges before they are debited to your account. The 'Statement of Charges' will tell you the date on which the charge is to be made.

Gross-up

If you are required by law to deduct tax from charges payable to us, you shall pay us an additional amount (a "gross-up" payment) as is necessary to ensure that the net amount we receive is equal to the full amount we would have received had the charges payable by you not been subject to a tax deduction.

If your business does not meet these criteria we will be happy to discuss charging arrangements with you and agree a tariff appropriate to the size and nature of your business.

Overdrafts, and other related charges

Overdrafts

If you require a new overdraft or increase in your existing facility, even for a short period of time, please contact us in advance to discuss your requirements. The rate of interest charged on an agreed borrowing will always be lower than the rate charged for an unauthorised borrowing.

Each overdraft application is considered on an individual basis. If you have agreed your overdraft with us in advance you will only pay interest at the authorised rate on the overdrawn balance.

You can overdraw up to an agreed limit at any time but you should not be permanently overdrawn by the whole amount. Overdrafts are repayable on demand.

Overdraft charges

Authorised borrowing:

All our fees for borrowing will be discussed and agreed with you at the time your facilities are set up. They are part of the overall price of borrowing and include, for example:

- the costs involved in agreeing facilities
- the ongoing monitoring of financial information and lending conditions throughout the term of a facility

If we ask you to provide security, a further fee will usually be charged to cover the additional costs. If there are any substantive changes to the basis of your borrowing arrangement during the term of your facility, any associated fees will always be discussed with you at each stage.

Unauthorised borrowing:

The standard interest rate for unauthorised borrowing is charged at 29.5 per cent per annum. If there are insufficient funds in your account when we receive cheques or other debits for payment you will incur an account control fee of £25. This will only be charged when:

- the overdrawn position has not been pre-agreed
- the overdrawn position or any subsequent increase in overdrawn position exceeds £100

Unpays – out

If we have to return cheques, direct debits or standing orders that you have issued/instructed due to a lack of funds in your account, there will be a further charge of £30 for each item returned on each occasion. This charge will be taken at the time.

Other information

Charging dates

- Quarterly debit interest and commission charges accrue in March, June, September and December and are debited shortly thereafter
- The quarterly charging dates are available by request
- We will give you approximately 14 days advance notice of the charges to be applied to your account. This advance notification will be by way of a separate 'Statement of Charges' and will include a detailed breakdown. You will therefore be able to check your charges before they are debited to your account
- The 'Statement of Charges' will tell you the date on which the charge is to be made

Cheque clearing

What is the cheque clearing cycle and how long does it take?

When you pay a cheque into your account it has to be sent to the drawer's bank for payment, for that bank to decide if it will honour the cheque. It may not if, for example, there is not enough money in the drawer's account. This process is known as the central cheque clearing cycle and normally takes three working days. We also need to allow extra days for an unpaid cheque to be returned.

The table on page 11 will help you understand when cheques paid into your account start to earn interest and become available for withdrawal in the UK. It will also show you when you can be certain the funds will not be reclaimed from your account as a result of the cheque being returned unpaid (see the reference to unpaid cheques overleaf).

- Clients will earn interest (or reduced overdraft interest) on cheques no later than two working days after the day of deposit
- Clients will be able to withdraw against cheques no later than four working days after the day of deposit
- Clients can be certain that six working days after the day of deposit, cheques paid into their accounts cannot be returned unpaid. They are protected from any loss unless they are a knowing party to a fraud

- There are no exceptions (extensions) to the timetable for Scottish and Northern Irish cheques or for Cash Card and International Student accounts

If you pay in cash or cheques at the Post Office to your Barclays Wealth account, it takes two working days longer to process them than if you paid them in at a Barclays branch; so it takes two days longer than shown in the chart.

This table applies to sterling cheques drawn and deposited in the UK.

Please note: Many branches have a cut-off time, after which cheques paid are processed the following working day. Cut-off times are available in branches.

Day 0	Day 1	Day 2	Day 3	Day 4	Day 6
e.g. Mon	e.g. Tue	e.g. Wed	e.g. Thu	e.g. Fri	e.g. Tue
Cheque paid in at any Barclays branch	Inter-bank exchange	Pay/No pay decision made and interest earned/reduced	Returned cheques received by beneficiary's bank	Available for withdrawal	If cheque has not been debited to the client's account by the end of the sixth working day the cheque is paid*.

Unpays - in

If a cheque you have deposited into your account is returned unpaid, the value of it will be debited from your account even if you have withdrawn the money in the meantime. However, you can be certain that an unpaid cheque will not be debited from your account later than six working days after deposit without your permission or unless there is a suspicion that a fraud has been committed.

Direct debits

A direct debit is an instruction from a customer to their bank or building society authorising an organisation to collect varying amounts from their account, as long as the customer has been given advance notice of the collection amounts and dates.

Direct debits are used for collecting a variety of regular and occasional bills including utility payments, insurance, council tax, mortgages, loans and subscriptions.

The Direct Debit Scheme protects you and your money by means of the Direct Debit Guarantee.

This Guarantee is offered by all banks and building societies that take part in the Direct Debit Scheme. The efficiency and security of the Scheme is monitored and protected by your own bank or building society. If the amounts to be paid by direct debit or the payment dates change, the organisation collecting the payment will notify you normally 10 working days in advance of your account being debited or as otherwise agreed. If an error is made by the company or your bank or building society, you are guaranteed a full and immediate refund from your branch of the amount paid. You can cancel a direct debit at any time by writing to your bank or building society. Please also send a copy of your letter to the originator/company.

Further information can be obtained from www.directdebit.co.uk

*Funds will not be debited from your account as a result of the cheque being returned unpaid later than this day. As Barclays processes payments overnight, you will know at the start of business on day seven whether or not the cheque has been paid.

Standing orders

With a standing order you make the request for a regular payment, rather than the organisation taking the payment. If you want to amend or cancel your original instruction you can do so at any time by contacting us up to the business day before the payment is due to be taken from your account. Payments made by standing order are subject to a payment limit of £100,000 and will normally arrive the same day providing the recipient's account accepts Faster Payments.

Changes to prices

These prices are variable and we reserve the right to amend them from time to time. We will give you a minimum of two months' written notice of any changes, except for changes where we have agreed to track Base Rate or have specified a shorter period in your Agreement.

Barclays Wealth Intermediaries services

If you require a service which is not set out in this tariff, your International Banking Centre will advise you of the cost at the time of agreeing the service.

We reserve the right to charge for staff time in exceptional circumstances. Any charges relating to staff time will be discussed and agreed prior to us providing the service.

Glossary

Audit letters

Letters written by us to your accountant certifying details of your account.

Branch drafts

Similar to a cheque but drawn by Barclays at your request.

Debit turnover

In the context of our International Corporate Tariff, turnover is defined as the total value of debit entries on your account, excluding transfers between your bank accounts held at the same Barclays branch.

Faster Payments Service (FPS)

This is a new electronic payments clearing scheme for sterling payments in the UK. The Faster Payments scheme allows participating banks to provide their clients with the capability to send low-value electronic payments in sterling that will reach the beneficiaries' account the same day. The majority of payments are completed within two hours. Operating 24 hours a day, 7 days a week, 365 days a year, the FPS will run alongside existing UK payment schemes such as BACS and CHAPS. The scheme is available within Barclays Wealth for telephone, internet, written, faxed and face-to-face payment instructions. The single payment limit is £100,000.

Where the receiving organisation operates on a collection account basis, for example credit card accounts or utility companies, the payment may not be credited to a specific account on the same day.

Participating banks are Abbey, Alliance & Leicester, Barclays, Citi Group, Co-operative Bank, Danske Bank, HBOS, HSBC, Lloyds TSB, National Australia Group, Nationwide, Northern Rock and RBS.

Night safe wallets

Used for depositing cheques and cash outside normal banking hours. The wallet is opened by branch staff and the contents credited to your account.

Open credit arrangement

An arrangement that allows you to withdraw funds regularly from a branch of Barclays other than the branch where your account is held.

Direct Presentations

Also known as Special Presentation or Express Cheque Service. This can be used if you require specific clearance of a cheque to establish whether or not it has been paid.

Stopped cheques

You instruct us not to pay a cheque that you have issued.

Inter-bank claims – charges from other banks

These are claims from other banks for services that they have provided to you. If we receive a claim, it will be charged in full to you at the time it is received.

This item can be provided in Braille, large print or audio by calling 0800 400 100* (via TextDirect if appropriate). If outside the UK please call: +44(0)1624 684 444**.

*The lines are open 8am to 8pm UK time Monday to Friday and 9am to 5pm UK time Saturday and UK bank holidays. Calls to 0800 numbers are free if made from a UK landline.

**The lines are open 24 hours a day, 7 days a week except on December 25 when lines are closed.

Call costs may vary – please check with your telecoms provider. Calls may be recorded so that we can monitor the quality of our service and for security purposes.
